INTRODUCTION
AND
GENERAL INDEX

R. L. POLK & CO., publishers of more than 1,400 city and suburban Directories, present to subscribers and the general public, this, the bicentennial commemorative edition of the Clearwater, Dunedin and Largo City Directory.

Confidence in the growth of Clearwater, Dunedin and Largo's industry, population and wealth, and in the advancement of their civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Clearwater, Dunedin and Largo to the world.

The enviable position occupied by R. L. POLK & CO.'S Directories in the estimation of the public throughout the country, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional people and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Clearwater, Dunedin and Largo City Directory will fulfill its mission as a source of authentic information pertaining to these communities.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the communities, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the communities. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In busy and diversified communities like Clearwater, Dunedin and Largo, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, designation of owner-occupied homes, occupation and address of each adult resident of Clearwater, Dunedin and Largo, and the name, official personnel, nature and address of each firm and corporation in these communities.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order, the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes, the listing of telephone numbers, new householder symbols and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Community Publicity

The Directory reflects the achievements and ambitions of these communities, depicting in unbiased terms what they have to offer as a place of residence, as a business location, as a resort and as an

educational center. The publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Clearwater, Dunedin, Largo and vicinity.

Clearwater, Dunedin and Largo Out-Of-Town City Directory Library

Through the courtesy of the publishers of the Clearwater, Dunedin and Largo City Directory, a Directory Library is maintained in the offices of the Greater Clearwater Chamber of Commerce, for free reference by the general public. This is one of many Directory Libraries installed in cities and towns throughout the United States and Canada through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional people who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

GOVERNOR

Greetings:

As we join in celebration of our Nation's Bicentennial, it is an ideal time to recall the events of our past and to plan for an even brighter future for all people. Surviving from the American Revolution is a living and enduring tradition which the revolutionaries began and successive generations of Americans have nourished and transformed. Although our system of government is not perfect, no other nation is as devoted to preserving freedom for everyone as the United States.

Let us strive together to keep alive the vision of the men and women of 1776--freedom for all.

Sincerely,

Reubin Askew

View of "Sparkling" Downtown Clearwater looking towards the Gulf of Mexico. Clearwater Pass bridge, shown in the distance connects Clearwater Beach with a continuous line gulf beaches continuing as far as St. Petersburg.

The new 90 million dollar Tampa International Airport provides Clearwater with exceptionally convenient service to every part of the U. S., the Caribbean area and South America. Clearwater-St. Petersburg Airport is maintained largely for industrial and personal planes. Both are connected with downtown Clearwater by fast, modern highways. Private airplanes can be taken care of at the Clearwater Executive Airport located within the city limits of Clearwater.

An up-to-date system of passenger buses operates within the city, as well as between Clearwater and Tampa, Tarpon Springs, St. Petersburg and all points on the Florida East Coast.

In Clearwater,the mainland city is linked with the beach resort by a palm-lined free causeway. Between Clearwater and Clearwater Beach are two bridges, both open to fishermen. Devotees of deep-sea fishing have at their disposal a fleet of party and charter craft, moored at the Clearwater Marina.

Clearwater Beach is a corporate part of the city of Clearwater. It occupies a long, narrow island, with the bathing strip facing the blue-green Gulf of Mexico on the West and Clearwater Bay on the East. On this island are all the attractions required for the perfect seaside vacation; bathing pavilions, 2 fine fishing piers, spacious hotels, a modernistic beach clubhouse, the Memorial Civic Center, a municipal marina, nice homes and deluxe motels, apartments, restaurants, bank, post office, and a wide variety of small stores.

On the north end of the island is located the exclusive Carlouel residential section, with its own

Carlouel Club, tennis courts and boat slips.

On the mainland, in beautiful Stevenson Creek Park, are excellent facilities for lawn bowling and Shuffleboard. Individual clubs have been organized for these games, each having its own clubhouse where card parties and other social activities are participated in by the members and their friends.

Sixteen splendid golf courses are located within a 10-mile radius of Clearwater, including the 18-hole course of the Clearwater Country Club. Most are open the year around. Those visiting here find these courses all popular. They have fine clubhouses with artistic furnishings and commodious shower and locker rooms for both ladies and gentlemen. The grass greens are large and scientifically designed and located, the fairways are interesting and have good natural hazards. This is the home of the famed Clearwater Bombers Softball Team; it is the Spring Training base of the Philadelphia Phillies Baseball Team.

Visitors to Clearwater find a community aware of its possibilities and sparked by an aggressive Chamber of Commerce. Service clubs of the city include Rotary, Kiwanis, Lions, Civitan, Optimist, Sertoma, Pilot and Exchange, each meeting weekly. Veteran's organizations are the Turner-Brandon Post of the American Legion, Clearwater Chapter of Disabled American Veterans, Old Fort Harrison Post of the Veterans of Foreign Wars, Clearwater Camp No. 40 of the United Spanish War Veterans, Marine Corps League and Retired Officers Club.

On the cultural side, Clearwater has a fine public library that began 50 years ago with a small collection housed in one room over a downtown bank, and today has approximately 225,000 volumes. The library building on North Osceola Avenue and Sunset Court was presented to the community by Andrew Carnegie in 1916, and was enlarged in 1938, and again in 1961. The library is open each weekday from 9 A.M. to 8 P.M. except Saturdays when it closes at 5 P.M. It maintains a branch in Memorial Civic Center at Clearwater Beach, which is open Monday through Friday. In addition to the excellent library, there is the Florida Gulf Coast Art Center. This is one of the most active groups in the City.

Clearwater, being the county seat for Pinellas County, is the home of the modern Pinellas County Court House at 315 Haven Street

An average of 17 exhibits are shown during the winter season, with an approximate attendance of 25,000 visitors. Clearwater has a progressive Little Theatre which gives a week-long play each month, November through April, in its own Francis Wilson Playhouse. The Clearwater Symphony Orchestra presents concerts in the city throughout the season, and the Clearwater Concert Association brings excellent talent for several concerts.

Notwithstanding the resort atmosphere, Clearwater is distinctly a home-town city, beautiful and modern and favorite for all ages. Unlike the conventional resort city, Clearwater has been built on a stable year 'round foundation. Light manufacturing and research and development operations have been unusually successful in the Clearwater area. Much of this success is due to the ready availability of highly productive engineers, technical and other personnel. The city has built an international reputation as one of Florida's finest convention cities, also.

While Clearwater, in Pinellas County, formerly was one of the leading citrus areas of the state, the industrial growth here has reduced the number of citrus groves until now there are less than 3,000 acres according to tax records. The production is divided between grapefruit and oranges. A large horticultural industry is increasing annually, to meet the demand for the beautification of homes and parks. Already there are 650 nurseries in the county, including 300 which grow plants. The other are dealers.

Together with the large tourist industry, these firms have helped to establish an increasingly stable year-round economy, and to make Clearwater one of the fastest-growing communities in the nation.

For further information on industrial or commercial assistance, write or call--Jim Parker, Executive Vice President, Greater Clearwater Chamber of Commerce, 128 North Osceola Avenue, Clearwater, Florida (33515), Telephone (813) 446-4081.

DUNEDIN

"DELIGHTFUL DUNEDIN ON THE GULF OF MEXICO"

(Courtesy Greater Dunedin Chamber of Commerce)

Dunedin, Florida . . . the beauty spot of Pinellas County, is located midway down the Florida Peninsula, on St. Joseph's Sound, overlooking the Gulf of Mexico, with palm lined streets along the shores of the Sound, providing as beautiful scenic drives as are to be found anywhere in this fabulous State of Florida.

Edgewater Drive

Dunedin is easily accessible to any city in Florida and a network of paved highways and bus lines running north, east and south afford excellent service. Tampa International Airport is located within a twenty mile drive from the City across S.R. 580, or Curlew Road to West Hillsboro in Tampa.

Dunedin is primarily a city of homes, beautiful homes, well landscaped and one can buy or build a home in any price range desired. There are also many apartments and condominiums in the downtown area and over one hundred rental units and condominiums have been built on the Causeway to the beach, with a convenient professional building and shopping center. The growth of Dunedin and surrounding area has been astounding, for the year round population of Greater Dunedin has tripled since 1950 and in 1976 is approximately 20,072.

We enjoy here in Delightful Dunedin an almost perfect year round climate, for the Gulf of Mexico, which keeps us cool during the summer months, also keeps us warm during the winter.

Dunedin is listed as one of the three cities in Florida and one of 50 cities in the United States which is considered a safe place to live. This report was written by David and Holly Franke in their published book with 18 descriptive pages of Dunedin.

One of Dunedin's Street of Homes

Dunedin offers the services of 30 churches, many fraternal organizations, civic and service clubs and a modern library with over 37,476 books. You will also find a community center, a modern and well staffed hospital and diagnostic and treatment clinic. Education is not neglected as there are five schools, two elementary, a junior high and a comprehensive high school, as well as Our Lady of Lourdes School (Catholic).

There is something for all ages in Dunedin. The city recreation department has various programs and courses throughout the year with a pool and tennis courts available during the summer months. Since 1967, the big event of the year has been the Highland Games and Festival held in March with all types of Scottish entertainment and bands come from all parts of the continent for this festival. Big league baseball will come to Dunedin in 1978 when the new Toronto team of the American League holds its Spring Training Program in the city.

Fishermen will find a myriad of fish awaiting rod and reel and for the non-fisherman there is a Shuffleboard Club, which is open to residents and visitors. The City-owned Marina, adjacent to one of the city parks, offers accommodations for all types of power and sailing craft, and the Dunedin Golf and Country Club (formerly PGA) has a modern club house and a course open for play the year'round. There is also a Par 3 course adjoining--Oak Ridge Golf Center.

DUNEDIN MUNICIPAL MARINA

There are light industries which offer permanent employment, such as A. C. Nielsen Co., H. P. Hood & Sons, Allied Precision Products, Tepro of Florida, Inc., Atech Inc. of Florida, Keller Engineering and Plasti-Kraft Corp.

One of the many attractions is a 476 acre State Park offshore. Caladesi Island State Park is located 1.5 miles from the Dunedin Marina, in the Gulf of Mexico and is a tropical island accessible only by boat, with three miles of natural beach and all activities are water-oriented - swimming, picnicking, fishing, boating and skin and scuba diving.

MARKETING SERVICES

Polk offers a full range of services to help businesses increase their sales volume. AUTOMOTIVE STATISTICS

Polk has served as statistician for the automotive industry for more than 40 years. Polk's total count of cars, trucks, motorcycles and trailers, by make and year model, is the only annual inventory of the nation's wheeled population. Polk's new car and truck reports furnish manufacturers and dealers with regular capitulations of all sales for each territory. To produce these statistics, Polk maintains one of the largest electronic data processing installations in the country. By using Polk statistical services, American business can plan intelligently its production, distribution and sales.

CITY DIRECTORIES

Polk City Directories are published regularly for more than 1,400 North American cities. Each Polk Directory is the one complete inventory of residents and businesses in the community for which it is published. The facts compiled for a City Directory include the name, address, occupation and marital status of each resident; the name, address, ownership and classification of each business. The vast fund of information in a Polk Directory helps bring together buyers and sellers, facilitates credit, speeds deliveries and communication and stimulates business generally.

BANK DIRECTORY

Published semi-annually, Polk's World Bank Directory is recognized as the outstanding reference book in the financial world. The directory carries detailed information on each of the nation's banks, showing officers, directors, branches, statement and other data. The book also includes a Summary of United States Banks, charts and statistics and a listing of governmental banking agencies and banking organizations. Polk also offers financial institutions a portfolio of marketing, advertising and research services.

"The One Who Cares Prepares"

Lawn Crypts...the newest concept for total protection and security.

When you are choosing a resting place for yourself or your loved ones, three important decisions must be made. These decisions are the selection of a space facility, a vault or crypt, and a memorial.

Because lawn crypts solve all three of these important obligations at one time, they afford you added peace of mind. Lawn crypts are the complete arrangement. And they are the most economical as well.

CLEARWATER SUN

Clearwater Sun

Published Afternoons Monday Thru Friday

What makes a newspaper interesting and useful? Well, . . . many points may be considered, but the real value of any newspaper is in the news that is reported . . . particularly news of paramount interest to those being served . . . the readers. This means local news . . . news of things happening around the immediate area . . . news of friends, . . . neighbors, . . . and places with which we are most familiar. In the Golden Circle that comprises the Clearwater and Upper Pinellas area, ... one newspaper stands out in this respect . . . the CLEARWATER SUN . . . the only daily newspaper devoted exclusively to the growth and progress of Central and Upper Pinellas County. You'll find more local news in the SUN, . . . reported straight, factually, and without editorial bias. That's how you want it, isn't it? . . . And with complete coverage of National and International happenings too.

A STATEMENT OF ADVERTISING PRINCIPLES

1. Good Advertising ~ aims to inform the consumer and help him to buy more intelligently.

2. Good Advertising ~ tells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.

3. Good Advertising ~ conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.

4. Good Advertising ~ recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.
